

## AR-15 Accessories

For SVRC members, friends, and family!

If you are interested in purchasing firearm accessories and components at great prices please contact us for a quick price quote to see if we can save you some money. We specialize in AR-15 components and accessories from **Lewis Machine & Tool, Daniel Defense, Rock River, Magpul, EOTech, Aimpoint, Midwest Industries, American Defense, A.R.M.S., Troy Industries**, to name a few. We have dealer and/or wholesaler access to over 12,000 products from 200+ manufacturers. (We are not selling registered receivers or complete firearms at this time.)

Popular items include Complete Upper Assemblies from **Lewis Machine and Tool, Daniel Defense, Rock River, and CMMG**; optics from **EOTech, Aimpoint, Trijicon**; optic mounts and accessories from **American Defense (a GREAT company!)**; front end rails from **Daniel Defense, Midwest Industries, Stocks from Magpul, LMT, and Vltor**. While we specialize in AR components we have access to virtually any gun related accessory so please inquire. All items are brand new and ordered directly from the manufacturer or national wholesalers and carry the full manufacturer's warranty.

We can keep prices low because we are a virtual store. Cash price is dealer cost plus 5%. Credit Card payment is an additional 3% (for a total 8% over dealer cost). Delivery in the North Bend-Snoqualmie area at no charge. If shipping is requested there is an additional charge for USPS Priority Mail.

**For a complete price quote please email us at:**
